

# LARKHALL ATHLETIC YOUTH FOOTBALL CLUB

## Membership Prices

### Notes

- All players, in relevant Year Groups, are to pay the following membership subscriptions, depending on the month in which they join
- If a parent/carer submits an application for welfare support from the club (see separate welfare policy and application form documents on this website) and this is approved, the following prices will be reduced by the percentage reduction agreed by the club.
- All cheques should be made payable to "Larkhall Athletic Youth FC" please and passed to the Treasurer for the relevant year group
- Save for exceptional circumstances (e.g. serious injury which prevents a player from playing for a long time), membership subscriptions are NOT refundable in the event that a player decides to leave the club (this includes transfers to other clubs). The club will be the sole arbiter of whether any refund of membership subscription may be appropriate in particular circumstances and any refund will made will always be after all relevant club expenses have been deducted
- Membership prices are reviewed in the close season and are subject to change to reflect any changes in the expenses which membership subscriptions are calculated to cover (e.g. training venue hire, pitch hire, player and team registrations, etc)
- Membership subscriptions cover: the cost of all weekly training sessions; all matches; team and player registration fees; they also contribute towards a range of administration costs. They do not cover: the cost of player's kit or boots; the cost of optional social events which the club arranges from time to time; or the cost of summer tournaments which the club normally enters teams for (each team normally enters three or four tournaments, which cost £3/£4 per player, per tournament)
- If membership subscriptions are not paid when due, the player concerned will not be eligible to take part in training or matches
- To aid planning, it is proposed – for season 08/09 – to seek players' re-enrolments by the end of March 2008, together with payment, then, of a £30 deposit on their 08/09 membership subscription. The balance of £60 (based on 07/08 prices) would be payable by the end of August 2008
- Younger children (i.e. currently beneath the U8s) who do not play in pre-arranged matches are charged a smaller subscription, as they do not incur pitch hire costs for the club. If ad hoc matches are ever arranged for younger children, parents/carers would be required to pay around £3/£4 per match to cover the cost of pitch hire.
